

Welcome

Welcome to the CFH Kingdom Community! We are truly excited about this new journey you have embarked upon. We count it a privilege to serve as your spiritual covering. We know that you could have chosen another ministry to call home. Therefore, we value your decision to join our family.

As your pastors, we are committed to witnessing a total transformation in your life through the power of God's Word. Our greatest desire is to see you mature both spiritually and naturally. For this reason, we have assembled a team of leaders who will help uncover and cultivate the gifts that God has placed within you. You will be compelled to change; empowered to overcome; and provoked to fulfill your purpose. So, get ready!

This is your time! So, prepare yourself for the Kingdom of Heaven is about to invade your life!

In Christ,

*Bishop Larry Taylor &
First Lady Desetra Taylor*

Getting Connected

Citizenship at Center For Hope Ministries is viewed as being actively involved in supporting the mission and purpose of ministry. The process of citizenship is truly a partnership. For this reason, we are committed to providing you with the tools that will assist you in successful growth, naturally and spiritually, while here with us. A significant portion of those tools are provided through our New Citizens' Training, which consist of two tracks:

TRACK 1

New Citizens' Orientation

New Citizens' Orientation provides insight for new members on our vision, beliefs and ministries. Though new members are required to complete an intake form when joining ministry, citizenship is not official until New Citizens' Orientation is complete.

TRACK 1 Class

Every Sunday (except 5th Sundays)
9:30 AM – 10:30 AM @ CFH Gym

Please arrive at least 10 minutes early.

TRACK 2

New Life

New Life offers a series of discipleship classes designed to teach, lead and develop new citizens. Each class aims to progressively move believers into a deeper level of spiritual maturity, while providing foundational truth for everyday Christian living.

TRACK 2 Class

8 week sessions. 9:30 AM – 10:30 AM @ CFH Gym (First Classroom). Dates will be posted in the announcements or on website. *Participants must complete Track 1 Class before attending Track 2 Classes.*
